The **Association of Academic Chairs of Emergency Medicine (AACEM)**, comprised of full, acting, interim, and emeritus chairs and directors of departments of emergency medicine at various levels of membership and involvement, works to improve and support academic departments of EM in the advancement of health care through high-quality education and research.

The mission of AACEM is:

- to provide guidance for the administration and operation of existing and new academic departments of emergency medicine;
- to discover and disseminate resources for the growth and development of academic emergency medicine departments and chairs;
- to facilitating leadership development in academic emergency medicine;
- to develop partnerships and cooperative relationships with other organizations and societies to advance and advocate for academic emergency medicine.
