The Academy for Diversity and Inclusion in Emergency Medicine (ADIEM) is excited to introduce the Leadership, Engagement, and Academic Pathway (LEAP) Program! Co-sponsored by the SAEM Equity and Inclusion Committee and ADIEM, LEAP is a comprehensive mentorship and development initiative designed for students aspiring to careers in academic emergency medicine.

We are currently seeking both mentees to bring this program to life!

If you are a current M3 student from historically marginalized groups or unique populations – including individuals with disabilities, sexual or gender minorities, and historically underrepresented racial or ethnic groups – and are interested in academic emergency medicine, we encourage you to apply.

We ask for your application submissions **by October 15, 2024**.
