The Academy for Diversity and Inclusion in Emergency Medicine (ADIEM) is excited to introduce the Leadership, Engagement, and Academic Pathway (LEAP) Program! Co-sponsored by the SAEM Equity and Inclusion Committee and ADIEM, LEAP is a comprehensive mentorship and development initiative designed for students aspiring to careers in academic emergency medicine.

We are currently seeking both mentees and mentors to bring this program to life!

For Mentees

If you are a current M3 student from historically marginalized groups or unique populations – including individuals with disabilities, sexual or gender minorities, and historically underrepresented racial or ethnic groups – and are interested in academic emergency medicine, we encourage you to apply.

For Mentors

If you are an emergency medicine physician with a strong track record of scholarly activity and can commit to at least one year (preferably three years) of co-mentoring (yes, you will share the load with other faculty), we invite you to apply to become a mentor.

We ask for your application submissions **by September 15, 2024**.
