

## **SonoGames® 2024 Sponsorship Opportunities**

SonoGames® 2024 will be held on Friday, May 17, 2024, at the SAEM24 Annual Meeting in Phoenix, AZ. SonoGames® is a national ultrasound competition in which emergency medicine (EM) residents demonstrate their mad skills and knowledge of point-of-care ultrasound in an exciting and educational format. Don't miss the winner-take-all, no-holds-barred action as teams of emergency medicine residents in crazy costumes battle it out in front of hundreds of spectators to prove they have mastered the "SonoSkills" to become SonoChamps and take home the SonoCup.

We are once again happy to offer two levels of sponsorships and we hope that you will consider supporting SonoGames® and SAEM at one of these levels. For more information on SAEM24 exhibitor and sponsorship opportunities please see our [Exhibitor Prospectus](#). To reserve and pay for your sponsorship, please visit our [registration page](#).

With your sponsorship, SAEM will provide the following benefits in accordance with each sponsorship level:

### **\$5,500 - Gold Level: Includes Silver Level benefits plus:**

- Machines showcased in multiple rounds (based on availability)
- SAEM to provide a list of all residency teams competing in the games
- Social media posts in SAEM Facebook, Twitter (X), and LinkedIn Pages
- Recognition in one all-member email (8,500+ members) to promote the event

### **\$2,500 - Silver Level:**

- Machine inclusion in a single round (based on availability)
- Company name and logo displayed on the SonoGames® website with backlink to sponsors company page
- Recognition in the SonoGames® promotional items
- Company name on the SonoGames® t-shirts to all participating faculty

For further information or assistance in reserving your SonoGames® sponsorship, please contact:
